In addition to these two residentials, there are 20 teaching evenings, either on a Monday or Tuesday evening depending on hub location between 6pm and 10pm. There are a couple of hub locations that would be feasible to get to from Northampton, depending on the candidate's ability to drive. The course is assessed by the submission of 6 essays throughout the year. Attending this course and training would be funded, but the time used for the course is not included within the hours of the post.

The candidate would play an active role on the Staff Team, and attend weekly meetings. They would also be supervised by a member of the leadership team at St Giles as well as by the FISH board of trustees.
